

MATRIX

ENDURANCE TREADMILL

A fusion of simplicity and durable design makes it easy for anyone to get started while still challenging true running enthusiasts.

Our Endurance Treadmill is ideal for heavy use in professional fitness facilities where space is at a premium and budgets need to stretch further. A precision-engineered drive system and deck stand up to heavy daily use, and smart maintenance features minimize downtime so members of all kinds can get a run just right for their goals.

Self-lubricating Ultimate Deck System with industrial-grade cushioning provides over 25,000 miles of proven performance.

4.2 HP AC motor with Dynamic Response Drive System fine-tunes response based on footfall pattern for a smooth, consistent workout up to 20 km/h / 12 mph. Conveniently placed speed and incline controls provide tactile feedback with each adjustment.

Easily removable side rails, front roller assembly and an easy-to-open motor cover streamline service and maintenance for technicians, minimizing downtime.
