

EX59

EX59-24

EXPERIENCE EXERCISE MADE EASY

The intuitive design of our EX59 Elliptical makes it easy to get started, while nine workout programs and 10 resistance levels make it hard not to come back for more. It includes a smooth-moving flywheel, low step-on height, oversized foot pedals, built-in speakers, audio jack and a narrow Q factor for ergonomic comfort.

ENERGIZE WORKOUTS WITH MUSIC THAT MOVES YOU

Integrated Bluetooth speakers make it easier than ever to stream your favorite playlists while you sweat. Now you can invigorate every moment of your workout with rich, vibrant sound that's easy to hear over our whisper-quiet equipment.

GET A CHARGE OUT OF IT

The EX59 Elliptical features a rapid-charge USB port that's easy-to-access. That means you can stream all your favorite music, movies, shows and on-demand fitness classes without worrying that your favorite device will run out of power.

EMBRACE YOUR WANDERLUST

Explore our Virtual Active program in the @Zone app to transport your workout to exotic locales all over the world. Shot on location by professional film crews, the HD footage speeds up or slows down to match your pace, and incline varies to match the terrain, making you feel like you're really there.
