EXPERIENCE A BREATHTAKING WAY TO RIDE

No matter how you like to ride, the Cycle-XP from our Xperience Series sets a new standard for home cycling workouts. Explore virtual journeys, exclusive HIIT programming and inspiring on-demand workouts, or mirror your own device on a bold, bright touchscreen that adjusts for visibility during floor exercises. Bring home our Cycle-XP today, and make your next ride an exercise experience that's entirely your own.

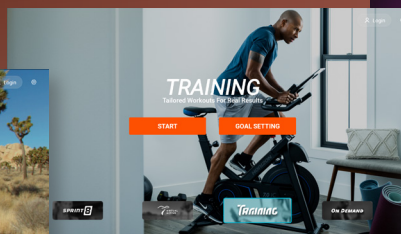

SPRINT 8

Unleash Your Power

ON-DEMAND

Studio Vibes
at Your Home!

MIRROR YOUR DEVICE FOR ENDLESS ENTERTAINMENT

You can mirror your device to your fitness equipment's console, making it easy to bring along all your favorite playlists, movies, and shows to keep you energized throughout your workout while being able to track your workouts at any time.

- CYCLE-XP supports both wired and wireless mirroring/casting from your smartphone or tablet.
- Access to third-party apps is subject to each provider's content policies and may vary.

CYCLE-XP

CYCLE-XP

STAY LOCKED IN

It's easy to give your programming your full attention, even if you're working through a stretching or strength floor routine, because the bold, bright 23.8" touchscreen rotates up to 90 degrees for visibility.

ROTATES
90°

*No subscription fee.
