

UPGRADE THE WAY YOU TRAIN

Now home strength training is more intelligent than ever. The ultra-comfortable backrest adjusts to five angles for dynamic workouts, and it includes easily adjustable dumbbells and kettlebells to help you get started, plus integrated storage to keep them out of your way. Bring home our new bench today to get a smart foundation for strength training in your home.

SMART ACCESSORIES

The included dumbbells and kettlebells adjust to a range of weights, and intuitive design makes every transition quick.

ADJUSTABLE DUMBBELL

An intuitive twist-and-lift solution for adjustable dumbbells.

ADJUSTABLE KETTLEBELL

The smart press-and-pin to effortlessly select your desired kettlebell weight.

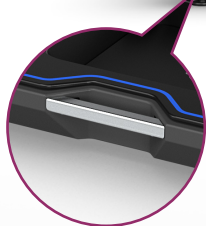

EASY ADJUSTMENTS

The backrest adjusts to five angles for a range of dynamic workouts and to target the specific muscle groups you want to tone and build.

CLUTTER-FREE CONVENIENCE

Our Bench includes integrated storage space so dumbbells, kettlebells and other accessories are always easy to access but never in your way.

DYNAMIC RESISTANCE OPTIONS

Easily attach resistance bands to anchor points, offering varied levels of intensity and challenge.
