

Back Extension

Keystone | V-KEY-SL-52

Motivate exercise enthusiasts to strengthen their lower back muscles with a selectorized back extension station that will fit your commercial fitness facility as well as it fits everyone you serve. From precise body positioning geometry to moisture-resistant cushioning to welded-steel frames, we designed every detail for performance, comfort and durability in tough, high-traffic fitness environments.

Product availability may vary by region. Please contact your **local office** for more information.
