MIRROR YOUR DEVICE FOR ENDLESS ENTERTAINMENT

You can mirror your device to your fitness equipment's console, making it easy to bring along all your favorite playlists, movies, and shows to keep you energized throughout your workout while being able to track your workouts at any time.

- TREAD-XP supports both wired and wireless mirroring/casting from your smartphone or tablet.
- Access to third-party apps is subject to each provider's content policies and may vary.

STAY LOCKED IN

It's easy to give your programming your full attention, even if you're working through a stretching or strength floor routine, because the bold, bright 23.8" touchscreen rotates up to 90 degrees for visibility.
