

Lat Pulldown

Keystone | VST700-PL33

Count on our Lat Pulldown station to help strength training enthusiasts build their major back muscles with diverging independent arms and a natural, effective path of motion. It's been tested to withstand over a million reps, more than four times the industry standard, and refined ergonomics keep even the most intense sets comfortable. Best of all, our ultra-stable design is as easy-to-use as it is low-maintenance.

Product availability may vary by region.
Please contact your **local office** for more information.
