

T202 SE

T202 SE-05

NEW 2022
DESIGN!

PICK UP THE PACE

If you're ready for a run that's a step up, the T202-SE will change the way you train with enhanced technology and performance. Advanced Bluetooth connects to multiple devices at once to stream media through vibrant speakers, track your heart rate and more. The extended deck and powerful motor give you everything you need for all-out sprints, and the folding design keeps the T202-SE out of the way when it's time to recover.

ENERGIZE WORKOUTS WITH MUSIC THAT MOVES YOU

Integrated Bluetooth speakers make it easier than ever to stream your favorite playlists while you sweat. Now you can invigorate every moment of your workout with rich, vibrant sound that's easy to hear over our whisper-quiet equipment.

GET A CHARGE OUT OF IT

T202 SE Treadmill features a rapid-charge USB port that's easy-to-access. That means you can stream all your favorite music, movies, shows and on-demand fitness classes without worrying that your favorite device will run out of power.

EMBRACE YOUR WANDERLUST

Explore our Virtual Active program in the @Zone app to transport your workout to exotic locales all over the world. Shot on location by professional film crews, the HD footage speeds up or slows down to match your pace, and incline varies to match the terrain, making you feel like you're really there.
