

MATRIX

ULTRA – ONYX EDITION CALF EXTENSION

The efficient, intuitive design of the Ultra Calf Extension offers a smart way to build and tone the muscles of the lower leg. An angled seat position provides excellent lumbar support, an ergonomic adjustment handle makes it quick and easy to change the start position, and range-of-motion adjustments accommodates users of different sizes and ability levels. It also features a guide rod and bearing carriage for smooth performance and long-term durability.

- ① Custom-tailored upholstery and precision-engineered cushioning for unparalleled comfort
- ② Electroplated chrome adjustment and pivot points
- ③ Optional Intelligent Training Console, a custom, connected strength training experience
